## The Courchevel Enquirer

Where did i put the salt? Nina in serious training for the 3 valley rally

### A note from the editor

From Sunday there will be almost no English staff working behind the bar at the KUDETA. With the exception of the manager James and Patricia you could say it will be an English no go zone. Not that my opinion matters but this is very strange especially so late in the season with probably less than a month left before the KUDETA closes. (in previous seasons Tourniers establishments close early in April, way before the season actually ends). So in the unlikely case you know of any jobs going for 4 dj/bar staff.

On Tuesday Dj Aaron Van Persey will be double teaming with DJ Nelly Van Hyden for St Patricks day at the Bubble bar. Followed by the inevitable irish hangover for the 1 valley rally on Wednesday outside the Bootlab.

#### THE SURGEON GENERAL WARNS

Doing ski seasons can be highly addictive, can seriously damage your sanity, result in a general lack of sleep, makes your arse bigger, increase the chances of getting a blow job in the skidoo hut outside Kudeta and waking up next to a complete stranger.

All stories contained within are purely fictional and shouldn't be taken seriously.

Anyone found taking anything too seriously should be held down, given alcohol and violated with the handle of a ski pole.

From the.

You can tell you have done too many seasons in Courchevel when

1. 100 grand for a weeks half board in a chalet is "good value".
2. An AMG G-Wagon is your daily run-about.
3. Everything come with black truffels, even you potato crisps.
4. You always get a bottle of spirits in the club because there are three of you and who can deal with a beer?
5. None of your friends speak english or French as a primary language.
6. You think stunning Russian supermodels are Meh!
7. real fur is your first choice for any clothing
8. Chanel is the new H&M
9. Jean Michel Jarre calls you by your first name.
- 10 You are sick and tired or constantly bumping into Eddie Jordan, Victoria Beckham or Gerry Haliwell
- 11 You see a millionaire dating someone his own age you throw up a little in your mouth.
- 12 You can identify all the drug dealers in the club.
- 13 You can tear up your parking tickets right in front of an ASVP
- 14 You are ok with your chalet ONLY having 1 swimming pool and 1 cinema.
- 15 You get invited to every millionaires 50th birthday party....
- 16 ...but don't turn up because Elton John is just so Meh.
- 17 You remember the Derby du Roc Merlet used to be quite dangerous. (and fun)
- 18 the Jump bar used to be THE place in 1850.
- .5 Snowsports in general (and season passes) are just so Meh!

# ASK THE SNOW BEAR **he knows there are not 50 shades of bear.**

Dear Bear,

I have a very delicate matter. The hotel, I work in, has been mostly taken over by a large group of singles. Actually that is only half the story, over the past couple of days I have come to the opinion that they are actually a group of swingers.

Although, as a seasonaire, I'm fairly open minded when I comes to those matters We have had some very awkward moments.

Tell me the bear necessities of what I need to do to stop this turning into a penthouse fan letter.

Dear Wannabe swinger.

The bear has been in more playboy and penthouse columns than Hugh Hefner's had bunnies. Its no bad thing !

Your problem isn't a problem as long as you stick too the rules (thats if your gonna throw your keys in that is)

Here's some doe's and dont's ..

1. Do take protection i.e. condoms, lube, a taser !
2. Don't take pictures and put them on twitter #firstswingersparty #ballsdeeeep
3. No means no .. If she/Debbie comes at you with a 3 foot rubber fist and you disapprove just say no !
4. Make sure you're all clean ... no body wants a days skiing ball sweat in there face !
5. Cum on time swingers like punctuality !
6. Have a safe word .. It can be anything

The Bears safe word is ... llanfairpwllgwyngyllgogerychwyrndrobwlllantysiliogogoch

Swinger lingo...

**SOFT SWAP:** Means a cheeky kiss and a finger.

**FULL SWAP:** You or your misses gets the whole cake !

## **ENGLISH/FRENCH/GREEK/ROMAN/SWEDISH CULTURE:**

English: Being spanked or caned.

French: Oral sex

Greek: Anal sex

Roman: Group sex/orgies

Swedish: Deep massage

**UNICORN:** A single woman who wants to be added to a married couple's relationship and form a sexual relationship with both halves of the pair.

**BULL:** A single man who wants to service the female half of a married or committed couple. The woman's lover or husband may either be present or not, as the couple chooses.

**AC/DC:** Its not the rock band but a person who is a bit greedy and likes both sexes !

Ok now you have all the info .. If you go ahead and Debbie takes your fancy .. Please please let us know. and finially Keep it clean .
